**16088. Misbranding of butter. U. S. v. 76 Cases of Butter. Decree of condemnation and forfeiture. Product released under bond. (F. & D. No. 23187. I. S. Nos. 0843, 0844. S. No. 1212.)**

On or about September 14, 1928, the United States attorney for the Eastern District of Louisiana, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district a libel praying seizure and condemnation of 76 cases of butter, remaining in the original unbroken packages at New Orleans, La., alleging that the article had been shipped by the Manning Creamery Co., Manning, Iowa, on or about September 8, 1928, and transported from the State of Iowa into the State of Louisiana, and charging misbranding in violation of the food and drugs act as amended. A portion of the article was labeled: (Shipping cases) "Quarters," and invoiced as "705#-1/4# P. W." The remainder of the said article was labeled in part: (Shipping cases) "Quarters," (retail carton) "Pfeifer's Elegant Creamery Butter Quarter Prints One Pound Net Farmers Co-operative Creamery Co."

It was alleged in the libel that the article was misbranded in that the statement "Quarters," appearing on the shipping cases, and the invoicing as "750#-1/4# P. W.," with respect to a portion of the product, and the statements, "Quarters," appearing on the shipping cases and "One Pound Net," appearing on the retail cartons, with respect to the remainder of the product, were false and misleading and deceived and misled the purchaser. Misbranding was alleged for the further reason that the article was food in package form and the quantity of the contents was not plainly and conspicuously marked on the outside of the package, since the quantities stated on the packages were not correct.

On September 24, 1928, Gerde, Newman & Co., New Orleans, La., having appeared as claimant for the property and having admitted the allegations of the libel, judgment of condemnation and forfeiture was entered, and it was ordered by the court that the product be released to the said claimant upon payment of costs and the execution of a bond in the sum of \$1,500, conditioned in part that it be repacked in half tubs of approximately 32 pounds net weight, and should not be used, sold, or disposed of without having been inspected by a representative of this department.
